WHY OUTSOURCE TO TATE & TRYON VS. A NON-CPA FIRM?

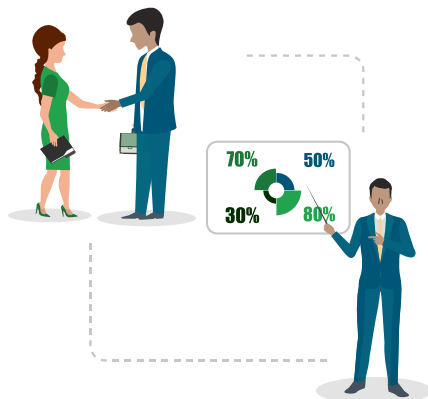

Our CPAs distinguish themselves from other finance professionals by stringent qualification and licensing requirements. Unlike bookkeepers and accountants, our CPAs must pass a rigorous examination, meet experience requirements, and maintain extensive continuing education. And having passed a rigorous peer review, your organization can be confident that we perform our work in accordance with established professional standards.

ONGOING SERVICES

As outsourced service providers, we become an extension of your staff, resulting in an enduring partnership with your management team and board.

INTERIM SERVICES

Our interim staffing solutions provide your management and board with confidence that the organization will have timely, accurate, and meaningful financial information, during a period of transition while we conduct the search for the right CFO or Controller.
